

K-Asmo

Ayurveda is acknowledged as the ancient traditional healing system of India, covering all aspects of life style. Literally translated, it means “Science of Life” and is one of the oldest recorded health practiced still used throughout the world.

Ayurveda is a complete health system for mind, body and spirit. Rather than treating symptoms, it treats the whole person, working holistically for our general well being. Ayurveda uses the elements; seasons, planets and bodily types of discover the areas of potential weakness. It operates on the assumption of the five elements earth, air, fire, water and ether.

(For upper Respiratory infections, Asthma, cough)

Respiratory tract problems are prolong or persistent condition of respiratory/breathing dysfunction resulting in oxygenation of carbon dioxide eliminated at the rate that is insufficient to meet the demands of the body. This could be severe enough to impair the function of vital organ in our body.

K-Asmo is a herbal combination that provides nutritional support for the respiratory system, whose job is to neutralize and reject dust, pollen, pollutants and micro-organisms and keep them from harming the body’s delicate tissues.
