

# K-Bes

Ayurveda is acknowledged as the ancient traditional healing system of India, covering all aspects of life style. Literally translated, it means “Science of Life” and is one of the oldest recorded health practiced still used throughout the world.

Ayurveda is a complete health system for mind, body and spirit. Rather than treating symptoms, it treats the whole person, working holistically for our general well being. Ayurveda uses the elements; seasons, planets and bodily types to discover the areas of potential weakness. It operates on the assumption of the five elements earth, air, fire, water and ether.

### ***(For High Blood sugar)***

High blood sugar is caused by decreased production of insulin, or by decreased ability to use insulin. Insulin is a hormone produced by the pancreas that is necessary for the cells to be able to use blood sugar. When we have high blood sugar we pass sweet urine and our sugar levels in the blood rise considerably above the normal limits. It is occurred due to excess consumption of sweets. A high calorie diet and sedentary lifestyle.

K-Bes is a herbal combination which is very effective in controlling and reducing high blood sugar. K-Bes helps to reduce blood sugar levels, bringing about a balance in the metabolism in the body and restoring healthy blood sugar levels.
