

K-Derme

Ayurveda is acknowledged as the ancient traditional healing system of India, covering all aspects of life style. Literally translated, it means “Science of Life” and is one of the oldest recorded health practiced still used throughout the world.

Ayurveda is a complete health system for mind, body and spirit. Rather than treating symptoms, it treats the whole person, working holistically for our general well being. Ayurveda uses the elements; seasons, planets and bodily types of discover the areas of potential weakness. It operates on the assumption of the five elements earth, air, fire, water and ether.

(For Skin Disorders, Psoriasis, and Acne)

Due to many varied causes, the blood becomes overloaded with toxins. Excess of toxins may also be deposited in the skin making it difficult for the sweat glands to deal with, resulting in common inflammatory skin conditions characterized by frequent episodes of redness, itching including thick, dry, silvery scales on the skin and superficial skin eruptions that are caused by blocked skin pores.

K-Derme is herbal combinations that provides nourishment to the body promoting healthy skin, as well as helping restore and balance the digestive and glandular system. K-Derme treats a variety of skin problems, improves digestion, strengthens the liver and eliminates wastes and toxins from the colon and the kidneys.
