

K-Lite

Ayurveda is acknowledged as the ancient traditional healing system of India, covering all aspects of life style. Literally translated, it means “Science of Life” and is one of the oldest recorded health practiced still used throughout the world.

Ayurveda is a complete health system for mind, body and spirit. Rather than treating symptoms, it treats the whole person, working holistically for our general well being. Ayurveda uses the elements; seasons, planets and bodily types of discover the areas of potential weakness. It operates on the assumption of the five elements earth, air, fire, water and ether.

(Liver Disorders)

The liver is the gateway of filter between all the cells inside the body and all manner of toxin outside. Alcohol, Tobacco, Pesticides, Pollution and stress can overload the liver and block assimilation causing liver disorders.

K-Lite is a herbal combination that tones and helps strengthen the liver function for better absorption and body detoxification.

K
Ayurveda
