

# K-Rhoids

Ayurveda is acknowledged as the ancient traditional healing system of India, covering all aspects of life style. Literally translated, it means “Science of Life” and is one of the oldest recorded health practiced still used throughout the world.

Ayurveda is a complete health system for mind, body and spirit. Rather than treating symptoms, it treats the whole person, working holistically for our general well being. Ayurveda uses the elements; seasons, planets and bodily types to discover the areas of potential weakness. It operates on the assumption of the five elements earth, air, fire, water and ether.

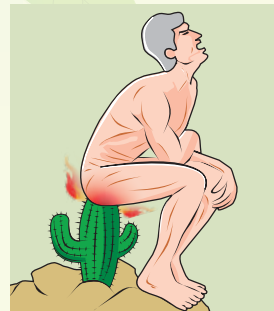

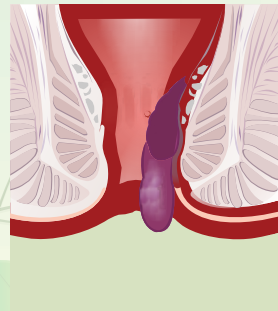

## ***(Hemorrhoids, piles)***

Piles is a condition in which a fleshy swelling of variable size, shape and colour appears (due to varicosity of veins) in the anus. For the therapy, piles are divided into two groups. Piles which do not bleed and piles in which the person suddenly passes streaks of bright red blood with or without stool. Obstruction to the passes of gases, discomfort, burning sensation particularly on defecation diminished appetite and constipation are the general signs of the piles.
