

K-Rin

Ayurveda is acknowledged as the ancient traditional healing system of India, covering all aspects of life style. Literally translated, it means “Science of Life” and is one of the oldest recorded health practiced still used throughout the world.

Ayurveda is a complete health system for mind, body and spirit. Rather than treating symptoms, it treats the whole person, working holistically for our general well being. Ayurveda uses the elements; seasons, planets and bodily types of discover the areas of potential weakness. It operates on the assumption of the five elements earth, air, fire, water and ether.

(Urinary Tract Disorders)

Urinary tract disorder is a disorder of the urinary bladder or urethra. The kidneys, Ureter, Urinary bladder and urethra are the organs that combine to form the urinary tract. The main function of this tract is to remove water and waste matter that excrete them as urine. This process is continues. Only in case of injury, infection or disease to any of the organs of the urinary tract, the function gets disturbed, thereby adversely affect the biochemistry of the blood stream.

K-Rin is a herbal combination that is highly recommended to remove build of toxins in the body caused due to metabolism of natural chemicals in the case of Urinary Tract Disorders.

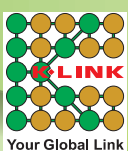

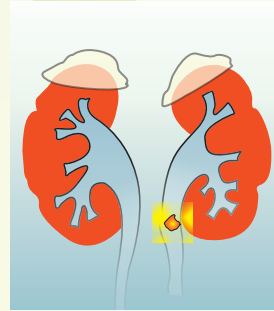

K-Rin:

- ◆ Improves diuretic activity
- ◆ Is antiseptic, anti-inflammatory
- ◆ Increased the flow of urine and speeds up the excretory process.
