# STATE WISE REPORT FOR JUNE - 2025

The Northern region is currently the smallest market for direct selling however, over the past few years, growth has picked up in this region. Key states in the region include Chhattisgarh followed by Uttar Pradesh.

This region holds the highest share for the direct selling industry. However, its share has fallen in the recent times with the higher growth in relatively untapped regions. Nagaland has the largest direct selling market in east followed by Meghalaya.

The Eastern region is the second largest region by market size and has grown at the fastest rate in 2025-26. West Bengal generates the maximum sales in this region. Other Key state includes Bihar & Jharkhand.

The western region is a relatively untapped market compared to Northern and southern regions. Direct selling sales in this region are driven by Maharashtra.
