

A Delightful sip of

K-HERBAL TEA

Our K-Herbal Tea contains Moringa, Tulsi, Lemon with Honey, India's most nourishing herbs. The blend of these herbs not only gives delicious taste but also keeps you rejuvenated throughout the day. Our K-Herbal tea help to relieve symptoms of diabetes and hypertension, protect liver function, enhance immunity, dissolve kidney stones, subdue cough, detoxify the body, improve gastrointestinal function, fight against cancer etc. Adding this healthy ancient drink to your daily diet will surely benefit you. Initially, you may not enjoy the taste of herbal tea, but when consumed on a daily basis you will begin to relish its benefits.

Blend of Powerful **MORINGA** – Works as an energy booster & fights against cholesterol build-up.

TULSI “The Queen of Herbs” – which boosts the immune system

LEMON – Flushes unwanted toxins out of the body.

HONEY – Works as an excellent anti oxidant.
